 - Limited sealed snacks may be kept in camper's rooms. Please do not send caffeinated drinks for campers under age 16.
- **Please do not bring computers, “game-boys” or other electronics.**
 - **Cell phone policy: Given that phones for the younger students have caused significant difficulty in the past, we would ask that you not send phones/i-pods with campers ages 15 in under. If you feel that your child does need a phone, please have it clearly labeled with his/her name. It will be collected at check-in and campers can pick them up for use between 8-9pm as necessary. Again, I would strongly encourage parents not to send phones with campers under age 15. Campers are welcome to call home when needed from the camp phone.**
